**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep broadband local small providers viable. We need them to oppose large national companies from being the only choice. we chose a smaller more affordable provider. I say no to internet that favors some websites over others, and controls what coss based on what you access. Thank you for your consideration.
